**R101. NSA/CSS**

**R102. Department of Defense”**

Based on the breadth of the specific requests, this office has initially identified in excess of 85,000 records that may be responsive. In order to provide you with a better understanding of the extent of the information that may be responsive to your request, please note that these materials are estimated to encompass several hundreds of thousands of pages. These records include documents containing information that is confidential and exempt from section 119.07(1), Florida Statutes, and section 24(a), article I of the Florida Constitution. For example, active criminal intelligence information and active criminal investigative information are exempt from public inspection pursuant to Section 119.071(2)(c)1., Florida Statutes. Additionally, materials that were prepared by an agency attorney or prepared at the attorney’s direction that reflect mental impressions, conclusions, litigation strategy, or legal theories of the attorney or agency prepared in anticipation of litigation are exempt from production pursuant to section 119.071(1)(d), Florida Statutes.

Consequently, your specific requests will require an extensive use of agency personnel and time, as well as information technology resources, to retrieve and review the documents responsive to your requests and ensure compliance with the exemptions under section 119.071, Florida Statutes, and applicable law. Therefore, an initial deposit to begin processing these requests is being assessed pursuant to section 119.07(4)(d), Florida Statutes, for \$5,445 (300 hours of personnel time charged at an hourly rate of \$18.15).

Please note that we estimate these requests may require 1,500 hours or more at hourly rates between \$18.15 to \$54.33 or more.

Pursuant to Florida Public Records Act, section 119.07(4), Florida Statutes, please provide us with a check in the total amount of \$5,445 made payable to the Department of Legal Affairs and sent to my attention at the above-referenced address. Please note that the actual hourly rate of the lowest hourly rate of the employee capable of performing the work needed to comply with these public records requests will be assessed against the initial labor charge.

**PLEASE ONLY** make your payment to the Department; checks endorsed in an individual’s name **WILL BE RETURNED**.

Upon receipt of the aforementioned check, this office will begin to process and collect responsive records. We will then forward to you the documents responsive to your requests. We estimate that the production of these records will take several months.

Please note that this is an initial deposit only, and that your requests will be subject to further cost estimates.

Please note that if this office does not receive a response within thirty (30) days from the date of this letter, we will close out your specific requests as non-responsive. Please do not hesitate to contact me in the event that you would like to discuss your current request, or if you would like to narrow it in any fashion.

Sincerely,

*s/ Nicholas J. Weilhammer*
